

**A Complete Building & Maintenance Solution**

## A Reputation for Quality and Reliability

For most people the decision to proceed with a building or maintenance project is a very important one and the choice of company to use is crucial. Whether you need a simple room plastering and decorating, porch, a garage, a two-storey extension, or a major renovation, you need to choose your builder wisely.

### Why Red Bric

Red Bric is a leading domestic and commercial building and maintenance company based in the Midlands. We pride ourselves on being a professional team who work closely with our clients to provide an efficient, cost effective building and maintenance service.

We personally manage each project to ensure that the highest standards and finishes are achieved in a time frame to suit the client's requirements. All our workforces are certified tradesmen who take personal pride in completing each and every project to our high standards with minimum disruption.

We give each client a personal service by allocating them a project manager and their mobile number so if they have any issues then they can get that one to one service.

The majority of Red Bric's work comes through our strong links to local architects, private and public sector clients as well as recommendations from those who have enjoyed and benefitted from our high standard of work and client service.

It is Red Bric's objective to operate with and to maintain good relations with all regulatory bodies, and comply with all the applicable legal requirements, and our Organisations declared policy on environmental issues to carry out all measures reasonably practicable to involve all staff assess the cost benefit of any decisions and facilitate the ability to continually improve environmental performance.

### Personal Recommendation

For most businesses personal recommendation is a powerful advertisement and Red Bric is no exception. We feature just a few of testimonials in this brochure received from satisfied customers which endorse our claims.

We hope this brochure and our website [www.RedBric.co.uk](http://www.RedBric.co.uk) provides you with a comprehensive guide to the quality and variety of our work, helping you make the right choice for your building project.

We look forward to being of service.

# Agents and Landlords

Experience has taught us that speed is of the essence when working with both agents and private landlords.

No one wants a property to remain empty, awaiting inventory or remedial repairs and cleaning. An empty property is not earning money. Therefore we work quickly, to ensure that you can soon re-market your investment and secure new tenants.

Each property brings a different set of challenges, and here are some with which we can deal. This is not an exhaustive list - if your requirements are not listed, never fear, we are confident we can meet them!

- Preparation Of Inventory
- Start of Tenancy Check In Report
- End of Tenancy Check Out Report
- Landlord's Gas Safety Certificates
- Interim Inspections
- Internal and External Re-Decorations
- Gas/Heating and Plumbing, Repairs and Installation
- General Building and Maintenance
- Electrical Maintenance and Installation
- Carpets and Floor Covering
- Total Care and Maintenance Package
- Cleaning and Clearance Service
- Void Property Service
- Property Risk Assessments
- Security Services
- Pest Control
- Locksmith

Red Bric operate on long term and short-term contracts, and would be pleased to discuss this with you. We can be as flexible as you require and will tailor our services to meet your needs. By working with you, we can often anticipate your needs and offer advice and guidance.

All work is carried out by a qualified, professional workforce, working to your timescale and budget.
